

Taber Irrigation District

Checklist for Sales & Transfers of Land

To assist in the smooth transition of water rights and water use agreements in the event of a sale or transfer of land within the boundaries of the Taber Irrigation District, please contact the District to ascertain the following information:

- Whether or not the parcel has irrigation acres within the District
- Whether or not the parcel uses irrigation water through any other type of water use agreement i.e. – Terminable, Annual, Rural, Household, Water Conveyance
- If this property forms part of an Irrigable Unit
- What are the current rates? When are those rates due?
- Are there any outstanding amounts owing to the District with regard to the property?
- Are there any ongoing subdivision applications or transfer of acres applications with regard to this property?

Thank-you for your cooperation!
