

Taber Irrigation District
Application for the Keith Francis Memorial Scholarship

The TID intends to award up to five annual scholarships in the amount of \$2,000 each to students who have, or whose parents have, irrigation (water right) acres within the District. The student must be entering 2nd, 3rd, 4th, or 5th year of full time study at a recognized university, college or technical institute. Preferential consideration will be given to students enrolled in an agriculturally related program of study. This application, along with a copy of the student's official transcript showing the courses taken and grades received during their post-secondary education, must be received at the TID office by **AUGUST 31st**. Funds will be disbursed to successful applicants in two equal installments upon receipt of proof of registration from the university, college or technical institute.
