Dear TID Irrigators and Water Users:

I am pleased to announce the Taber Irrigation District and the St. Mary River Irrigation District have both voted with a majority in favor amalgamating our two districts. The vote results were as follows:

	In Favor of Amalgamation	Not in Favor of Amalgamation	Total Votes
Taber Irrigation District	126	104	230
St. Mary River Irrigation District	509	132	641

Now that we have completed this important milestone, the next step will be to advertise a Notice of Petition for the Amalgamation of our Districts in the newspaper and continue gathering the information that is required by the Irrigation Districts Act to form the petition that will be provided to the Minister of Agriculture and Forestry. This process will take some time but our goal is to officially be one district by the start of next water season in the Spring of 2022.

We are excited to be on track to becoming one dynamic organization.

Regards,

David Westwood
District Manager
Taber Irrigation District
